

TRENCHER

EASY OPERATION

Simplified operator controls make the trencher more user-friendly and less intimidating.

HONDA POWERED

Honda engine for powerful and reliable performance.

POWDER COATED STEEL

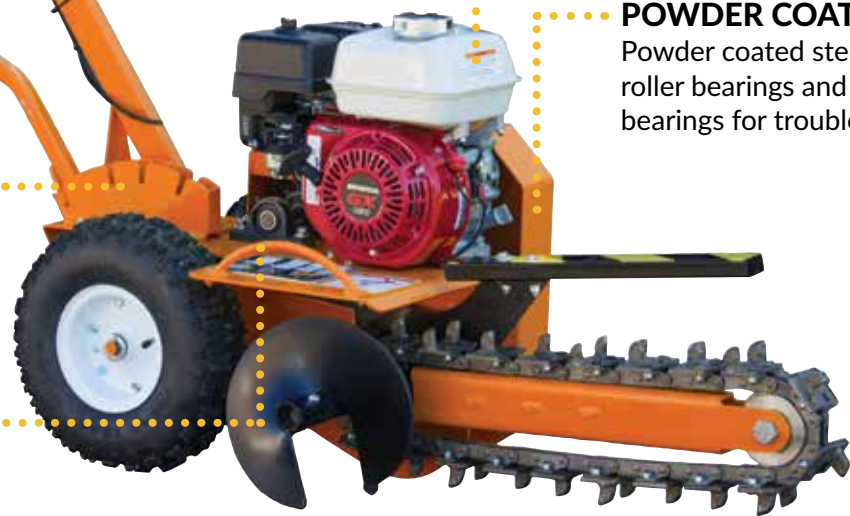

Powder coated steel, tapered roller bearings and double-row ball bearings for trouble-free service.

RATCHET MECHANISM

A ratchet mechanism on the wheels helps prevent the machine from pulling away from the trenching direction.

LIFT HANDLES

Built-in lift handles make transport easy.

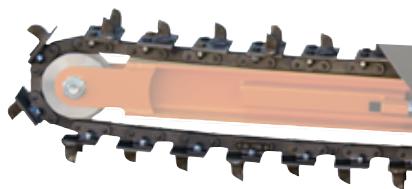

COMPACT DESIGN

Narrow, compact design allows easy access around the job site and enables it to easily fit through gates and doorways.

RATCHET MECHANISM ON WHEELS

PREVENTS TRENCHER FROM PULLING AWAY FROM THE TRENCHING DIRECTION

STEEL FRAME & SOLID ROLLER DIGGING CHAIN

FOR DURABILITY AND INCREASED LIFE

TRENCH ANYWHERE

WITH NARROW DESIGN THAT ALLOWS YOU TO GET CLOSE TO WALLS AND FENCES
